

Intent to Promote

Congratulations! Your child has qualified here at our school to be promoted to the next belt level! However, it is up to YOU to determine whether your child should be promoted.

Please go over this checklist with your child as a guide to what they should be doing at home:
 Showing respect Self control Good attitude Doing their chores Completing homework

With your help, your child should have 20 good deeds listed in order to be eligible for their next belt. (Examples: brushing their teeth, being nice, not fighting with siblings, going to bed on time, etc.)

Please complete the form and turn it in to one of our instructors, or scan and email to us.
